

Air Toxics Legislative Workshop

Presented by
Mothers for Clean Air
Galveston-Houston Association for Smog Prevention
Environmental Defense's Houston office
and
Public Citizen's Texas office

Date: Thursday, May 3, 2007

Time: 7:00– 8:30pm

Where: Citizens' Environmental Coalition Building
Upper Kirby Building (1st floor)

Address: 3015 Richmond (at Eastside, between Buffalo Speedway and Kirby)
Houston, TX 77098

Snacks and beverages provided

**What are the sources of toxic pollution in your community &
how could they be affecting your health?**

**What is the Texas Legislature doing this session to protect you
and your family from toxic exposure?**

What can you do to affect pending state legislation?
