Subject: possible CAFE meeting at OMB

Jeff,

FYI, I received a call from Rich Theroux, a staffer at OMB, indicating that John Graham is interested in meeting with us on January 4 to discuss CAFE reform. I think it might be fairly "nut and bolts," but I still recommend that you attend. It will be at 10:00, in the Jackson Room, in the White House Conference Center (which is essentially right next to CEQ).

Bob
