Re: NJ.com/Freehold Regional High School District
Board of Education

Dear Mr. Zitomer:

As you know, this firm is general counsel to the corporate parent of New Jersey On-Line, LLC, and I write with regard to the subpoena of your client, The Freehold Regional High School District Board of Education, seeking identifying information about 20 NJ.com screen names.

Yesterday, attorney Stuart Moskowitz sent me a copy of a letter directed to you advising that he represents 12 of the 20 names listed in the subpoena and that he contests the validity of your subpoena. In light of this dispute, NJ.com will not produce records in response to the subpoena at this time.

Very truly yours,

NMR:dr
