Huckabee For President Exploratory Committee Inc.
P.O. Box 200
Little Rock, AR 72203

Dear Governor Huckabee:

We are sending this letter to all of the presidential candidates who have yet to provide details on the amounts raised by fundraising “bundlers.”

We hope you share our view that transparency is among the best ways to combat the undue influence of special interests in the political process. With that in mind, we are asking you to promptly publish a list on your campaign Web site of those bundlers who have raised at least \$100,000 for your campaign. We note that this minimal standard of disclosure was set by then-Gov. George Bush in his 2000 presidential campaign.

If you have questions regarding our request, please contact David Arkush at 202-454-5130.

Respectfully,

Joan Claybrook
