Dear Mr. Corbo:

This responds to your recent Freedom of Information Act request (copy enclosed) for a list of the States and school districts that have expressed an interest in ordering irradiated meat products for the 2005-2006 school year as a result of the recent survey conducted by the Food and Nutrition Service.

We have no active orders for irradiated meat products for the 2005-2006 school year.

We appreciate your interest in the Department of Agriculture's commodity distribution programs.

Sincerely,

A handwritten signature in cursive script that reads "Cathie McCullough".
