Ambassador Michael Kantor
United States Trade Representative
600 17th Street, N. W.
Washington, D. C. 20506

Dear Ambassador Kantor:

Contingent on satisfactory negotiations which resolve subsidy issues in the areas of Aircraft and Agriculture, I offer my support to the development of new foreign export opportunities through voluntary compliance with an expanded Government Procurement Code under the GATT Agreement on Government Procurement. This offering will exclude construction services and automobiles. I understand post award notifications can be handled quarterly through publishing in the Commerce Business Daily at no charge.

On behalf of Kansas business and in support of the Clinton Administration, I am pleased to offer this commitment to this important issue.

With kindest regards,

Sincerely yours,
