BOB HOLDEN  
GOVERNOR

STATE CAPITOL  
ROOM 216  
(873) 751-3222

October 7, 2003

Mr. Robert B. Zoellick  
Executive Office of the President  
The United States Trade Representative  
Washington, D.C. 20508

Dear Mr. Zoellick:

The State of Missouri Division of Purchasing and Materials Management is willing to voluntarily extend the same commitment for procurement coverage in new trade agreements as we already provide to the other Member countries of the Agreement on Government Procurement (GPA). We fully understand that this does not require any additional commitments that will require our state to change its government procurement practices.

We hope our state-level coverage will ensure the United States can obtain similarly advantageous coverage from other governments. If you require additional assistance, please feel free to contact Jacquelyn D. White, Commissioner, Office of Administration, at 573-751-1851.

Sincerely,

Bob Holden  
Governor
