Re: Public Citizen v. OMB, D.D.C., Civ. No. 04-1031 (JR)

Dear Mssrs. Kirkpatrick and Wolfman:

Enclosed is a set of 16 documents that OMB has identified as responsive to the FOIA request dated February 16, 2004, and that we have determined are appropriate for release.

At this point in our review of the over 30,000 electronic and paper documents that OMB collected during the course of its search, OMB has completed its processing of approximately 1,745 documents. Of the documents that have been processed, we have identified 26 of them as being responsive to the FOIA request. Of the 26 responsive documents, we have determined that 16 are appropriate for release; they are enclosed. In addition, we have determined that the other 10 documents are exempt from mandatory disclosure pursuant to FOIA Exemption 5, 5 U.S.C. 552(b)(5), because they constitute intra-agency or inter-agency predecisional, deliberative communications, the disclosure of which would inhibit the frank and candid expression of views that are necessary for the government decision-making process.

With OMB having processed approximately 1,745 documents, over 29,000 documents still need to be processed over the coming months. We are continuing our review to identify responsive documents, and to determine whether such documents should be released or withheld. Any additional documents we determine should be released will be produced to you at a subsequent time.

Sincerely,

Steven D. Aitken
Deputy General Counsel
