Please Note:

The URL *www.citizen.org/documents/scappetitionsmonitored.pdf* is no longer in use. We made this change after listserv members sent feedback regarding the difficulty of accessing the Watch List through that link. We hope this change is helpful. Instead, from now on we will use a link that includes the Supreme Court conference date in the title – for example:

**<http://www.citizen.org/documents/scapwatch20070524.pdf>
(May 24, 2007)**
