Geetha,

My apologies for the delay in sending this material. I have lost both my regular assistant and my temp so I am a bit overwhelmed.

John Hardy will be attending the meeting tomorrow at 3. His SS# is [(b)(6)] and birthdate is [(b)(6)]. If you could remind me of the address of the meeting I would appreciate it. I managed to lose that as well.

John and I have a brief agenda: 1) we want to update you on Dabhol and 2) we want to discuss way in which the USG may become involved in encouraging market reform necessary to extract value out of our generating asset. Specifically, we want to focus on reformation at the Indian federal level that will be necessary to deliver power to customers other than MSEB.

We look forward to meeting you tomorrow.
