Oregon

Petitioning is explicitly prohibited within 100 feet of ballot drop-off sites.

The law reads:

"260.695: ... (2) A person may not do any electioneering, including circulating any cards or handbills, or soliciting of signatures to any petition, within any building in which any state or local government elections office designated for the deposit of ballots under ORS 254.470 is located, or within 100 feet measured radially from any entrance to the building. A person may not do any electioneering by public address system located more than 100 feet from an entrance to the building if the person is capable of being understood within 100 feet of the building. The electioneering need not relate to the election being conducted. This subsection applies during the period beginning on the date that ballots are mailed to electors as provided in ORS 254.470 and ending on election day at 8 p.m. or when all persons waiting in line at the building who began the act of voting as described in ORS 254.470 (10) by 8 p.m. have finished voting."
