Dear Dr. Krishnasamy, Dr. Carome and Dr. Wolfe,

Thank you for alerting Mission Hospital of your concerns about the practices of Life Line Screening of America, Ltd. Patient safety is our highest priority and we continuously evaluate our partnerships to ensure our patients receive the excellent care they deserve. Upon receipt of your letter and understanding your concerns, we conducted several internal meetings and analyzed our relationship with Life Line Screening. After deliberation and discernment, we have decided to term our agreement with Life Line Screening.

Mission Hospital verbally expressed our wishes to term our contract with Life Line Screening and has since, provided written confirmation to Life Line Screening. Due to the terms of the contractual agreement, our termination date shall be July 7, 2015.

Thank you,

Kenneth D. McFarland
President & Chief Executive Officer
