Dear Mr. Zoellick:

Governor Freudenthal has forwarded your letter dated September 1, 2003 to me for reply.

It is our understanding that you wish to extend the agreement to which the State of Wyoming is already a party from the existing 27 countries to the countries that you have enumerated in your letter.

The State of Wyoming agrees to your request and will commit to the procurement coverage for the new countries as they are added to the pact. This commitment is subject to the qualifications that are already in place for the existing 27 countries.

Sincerely,
