Dear Mr. Levy,

Regarding your last email (see below):

Here is a response to your January 2 demand letter to Homeless United for Friendship and Freedom. When I wrote to you last year, in response to your demand to Jean Aw, you ignored my response, and she was willing to let it go at that. HUFF is not willing to let it go. Absent a clear response, we reserve the possibility of seeking declaratory relief without further notice.

I completely understand your statement. However, fact is there is a copyright infringement claim on the table. I am more than willing to work with you to resolve this case. Please let me know how you like to proceed.
