Regarding: Case # 187487  
Subject: Ronny Lynn Jackson, MD

This letter acknowledges receipt of your report against the above referenced individual or regulated facility.

The Department of Health Professions (the Department) receives, reviews, and investigates reports and complaints about the conduct of health care providers registered, licensed or certified by the Department. Not all complaints will require additional follow-up. However, if additional information is needed an Investigator will contact you.

Information about our investigative and disciplinary processes is available on our web page at [www.dhp.virginia.gov/enforcement](http://www.dhp.virginia.gov/enforcement). If you do not have access to the internet you can call 804-367-4691 or 800-533-1560 to request a brochure.

The Department is not able to advise you regarding any legal action you may intend to pursue nor does it have the legal authority to order reimbursement, awards or damages. Information submitted to a regulatory board is confidential and may only be disclosed pursuant to specific terms of §54.1-2400.2 of the Code of Virginia.

We appreciate you taking the time to submit your report.

Sincerely,

Martha Ann Spruill, LCSW
