**REMEDIAL PLAN**  
**ANNA MARIA ROSINSKA, M.D., LICENSE NO. K-6275**

On the 14<sup>th</sup> day of June, 2013, this matter came on to be heard before the Texas Medical Board ("Board"). This Remedial Plan was offered by Allan Shulkin, M.D., a member of the Board and Phillip Worley, a member of a District Review Committee. The Respondent was represented by Jeffrey McClure. Patrick "Brian" Coats prepared this Remedial Plan.

**FINDINGS**

Respondent did not adequately review advertising provided by the distributor of the LipoTRON device that made misleading statements about the performance of the device before posting the advertising on her website.

Respondent does not admit or deny the Findings and Conclusions of Law contained herein but, rather, has agreed to settle in good faith to avoid the cost, expense, and uncertainty of litigation.

**BOARD HISTORY**

Respondent has not had a prior Order or Remedial Plan with the Board.

**MITIGATING FACTORS**

Respondent promptly removed all advertisements related to the LipoTRON device and discontinued use of the device once Respondent learned of concerns by the Food and Drug Administration and the Board about the device.

Respondent relied in good faith on statements and representations from the distributor, with whom she had prior reliable dealings, regarding the device's approval status. Respondent also performed due diligence by contacting other physicians who used the device.

Respondent cooperated in the investigation of the allegations that resulted in this Remedial Plan.

### CONCLUSIONS OF LAW

1. The Board has jurisdiction over the subject matter and Respondent pursuant to Medical Practice Act, Title 3, Subtitle B, Texas Occupations Code (“Act”).
2. Section 164.052(a)(5) of the Act, as further defined by Board Rule 190.8(2)(I), authorizes the Board to take action against Respondent.
3. Section 164.0015 of the Act authorizes the Board to resolve this matter with a Remedial Plan.
4. Section 164.002(d) of the Act provides that this Remedial Plan is a settlement agreement under the Texas Rules of Evidence for purposes of civil litigation.

The CME requirements set forth in this paragraph shall be in addition to all other CME required for licensure maintenance.
2. The cost for administering the Remedial Plan is \$500 per year. Payment of this cost is due no later than 60 days after Respondent receives notice of Board approval of this Remedial Plan. The cost shall be paid in a single payment by cashier's check or money order payable to the Texas Medical Board and shall be submitted to the Executive Director for the Board for routing so as to be remitted to the Comptroller of Texas for deposit in the general revenue fund.

6. Any violation of the terms, conditions, or requirements of this Remedial Plan by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.
7. This Remedial Plan shall automatically terminate upon Respondent's submission to the Board of evidence deemed to be sufficient by the Compliance Division of the Board that Respondent successfully completed the requirements set forth in the Remedial Plan Terms Paragraph Nos. 1 and 2.
