Dear Sirs,

**Re: EMEA/H/C/002614 - Bedaquiline (TMC207) – (bedaquiline), applicant Janssen-Cilag International NV.**

Thank you for your e-mail dated 13 February 2013.

An application for marketing authorisation for bedaquiline is currently under assessment by CHMP.

We will make the Committee aware of your concerns so that they can be taken into account before their final deliberation.

An EPAR will be published on the EMA web site after the opinion explaining the rationale for the final decision whether negative or positive.

Yours faithfully,

Guido Rasi  
Executive Director
