Dear Sirs,

Thank you for your letter dated February 19, 2015. The Good Samaritan Hospital is currently in the process of merging with a larger healthcare enterprise and, as such, we will be coordinating all health screenings with our partner organization at some point in the near future.

Therefore, please know that our current agreement with Life Line Screening has been cancelled.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. Longo". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Robert J. Longo
President and
Chief Executive Officer
