STIPULATION AND ORDER

The Court entered a final, appealable order in the case on November 17, 2017, fully resolving the merits of this action. The parties subsequently filed but voluntarily dismissed cross-appeals to the D.C. Circuit. After the D.C. Circuit entered its mandate and on plaintiff's unopposed motions, the Court twice extended the date for plaintiff to move for an award of attorney's fees and to file a bill of costs, which is currently due on November 13, 2018. The parties now stipulate and agree as follows:

1. Defendant shall pay to Public Citizen Litigation Group, counsel for plaintiff, \$158,000.00 in attorneys' fees and costs in this matter. This sum shall constitute full and final settlement of all claims against defendant by plaintiff for fees, costs, and expenses accrued in this action, through the date of this stipulation.
2. The Court retains jurisdiction to enforce the provisions of this Stipulation and Order and its November 17, 2017, order and opinion.

Dated: October 30, 2018

Respectfully submitted,
