Join the Fight to Stop the Trump Tax Scam

Are you part of the large majority of Americans who are [opposed](#) to the Trump-Ryan tax plan to slash taxes for the wealthy and corporations, which will end up being paid for by cuts to Medicare, Medicaid, education, and other services working families depend on? Do you want to join the fight to stop this tax **scam** from moving forward?

Great! Here are some resources to help you get involved, but please don't hesitate to email Susan Harley at sharley@citizen.org with any questions you may have or to hear more about these opportunities to join the tax fight.

Call Congress:

Public Citizen is a member of the Americans for Tax Fairness coalition, which has created an easy-to-use [call tool](#) and toll-free phone number (**877-795-7862**) to make it super simple for you to pick up the phone and tell your elected members of Congress that you oppose tax giveaways for the wealthy and corporations funded by cuts to health care, education, and other essential government programs. They need to hear from real people, not just the donor class.

Give your family, friends, neighbors, coworkers, fellow congregants, and others in your community the opportunity to shine a light on the tax scam and oppose this massive giveaway to corporations and billionaires.

Write a letter-to-the-editor:

Letters-to-the-editor (LTEs) are consistently one of the best read sections of local newspapers. Therefore, they are a fantastic way to get the word out in your community about important issues like the tax debate, and provide an excellent opportunity to call on your lawmakers to oppose giving tax handouts to the wealthy and pro.

Need ideas on what to write? Here are some [LTE templates](#) that you can use outright, edit, or pull from for ideas. And, here's a [handy document](#) with links to most major newspapers' online LTE submission portals.
