Hi mishkoff,

I want to thank you for your website. I do not have enough fingers to count the numbers of clients that I have gotten over the last ten years or so who said in essence "The attorney who can piss off someone that much is the attorney that I want!". I do hope it cost you a lot of money to maintain the site. I know that I made a lot of money from your site. Thanks again!!

I would have written sooner, but I am now about to enter retirement and I didn't want to stop the client referrals.

Don't bother to respond to this email. I will almost certainly ignore it.
