Business Operations Change Request Form

As Of: 12/18/14 12:39:49PM

Administrative Information

CR: 2875 **Drafted:** 10/28/14 9:55:43AM **Submitted:** 11/3/14 11:45:52AM

Title: TEACH Grants Incorrectly Converted - PHASE 1

Sponsor: Debbe Johnson

Business Analyst: Jose Gonzalez

Anticipated Implementation Date: 01/01/2015

Change Request Details

Reason (Business Need):

There is a population of TEACH Grant recipients where Xerox incorrectly converted their TEACH Grants to loans. The recipients suspected to have had their TEACH Grants incorrectly converted to loans for the reasons listed below should be contacted and provided the option to have their loan converted back to a grant.

Description (Requirements):

PHEAA shall onboard all existing, active TEACH Loans that are not already serviced by the TEACH Grant servicer except those being held by TPD or DMCS. As part of the transfer process, PHEAA will send the standard Welcome letter that it sends to all transferred borrowers to all on-boarded TEACH Loan borrowers.

Thereafter (or concurrently), FSA will provide PHEAA with the following NSLDS data elements for all TEACH Loans (including those not currently active and those still being held by TPD or DMCS) to evaluate for potential grant-to-loan conversions in error:

1. Award ID
2. Student Number
3. Student Sequence Number
4. Grant Date
5. Loan Date
6. Grant Amount
7. Disbursement Amount
8. School Code
9. Award Year
10. Grade Level
11. Current Grant Status
12. Current Grant Status Date
13. Current Servicer
14. Current Loan Status
15. Valid Grace Date
16. Invalid Grace Start Date
17. Graduation Effective Date
18. Withdrawal Date
19. Most Recent Enrollment Type
20. Most Recent Enrollment Effective Date

Following FSA's delivery of the appropriate data elements, PHEAA shall review all TEACH Loan data to identify grants suspected as converted in error for one the following reasons:

1. Converted within 1 year of Graduation from the school to which the TEACH Grant was received
2. Converted in advance of separation from the school for which the TEACH Grant was received
3. Converted within 120 days of their withdraw from the school for which the TEACH Grant was received
4. Converted within 120 days of their original withdraw date for withdrawn recipients who had another TEACH Grant disbursed to a different school (assumed same Program of Study for comparable grade levels)

ADDITIONAL INFORMATION:

After the completion of Phase I, Phase II (under separate CR cover) will consist of:

- A communication plan to contact the potentially affected TEACH Grant recipients/borrowers providing them an opportunity to have their grants reinstated if eligible.
- A rebuild process that will include but is not limited to:
 - o Converting loans back to grants
 - o Redistributing or refunding applicable payments
 - o Correcting credit bureau and NSLDS reporting

Does this change require a new network connection (Secure File Transfer Protocol is mandatory for all new connections)? No

IST Anticipated/Post-Implementation Validation: No

Title: TEACH Grants Incorrectly Converted PHASE III -- QUICK PACE

Sponsor: Debbe Johnson **Business Analyst:** Jose Gonzalez

Anticipated Implementation Date: 04/13/2015 **QUICK PACE**

Change Request Details

Reason (Business Need):

There is a population of TEACH Grant recipients where Xerox incorrectly converted their TEACH Grants to loans. The recipients suspected to have had their TEACH Grants incorrectly converted to loans should be contacted and provided the option to have their loans converted back to grants.

For PHASE I, PHEAA has onboarded all existing active TEACH Loans that were not already serviced by the TEACH Grant servicer (except those being held by TPD or DMCS.) In addition, PHEAA has reviewed all TEACH Loan data to identify grants suspected as converted in error for one of the following reasons:

1. Converted within 1 year of Graduation from the school to which the TEACH Grant was received
2. Converted in advance of separation from the school for which the TEACH Grant was received
3. Converted within 120 days of their withdraw from the school for which the TEACH Grant was received
4. Converted within 120 days of their original withdraw date for withdrawn recipients who had another TEACH Grant disbursed to a different school (assumed same Program of Study for comparable grade levels)

For PHASE II, PHEAA is sending specific communication to the identified recipients to take further action. PHEAA is working with those recipients who respond to ensure eligible grants get re-converted.

Description (Requirements):

PHASE III:

PHEAA will continue to work with those recipients who respond to ensure eligible grants get re converted. PHEAA will re convert eligible TEACH Grants and rebuild grant history.

1. PHEAA will adequately provide staff and administer training for these staff members to complete this needed work.
2. PHEAA will create a tracking mechanism to track these re converts and report to FSA.
3. PHEAA shall perform the necessary steps to redistribute and/or refund applicable payments, correct credit reporting, reinstate each grant record and write off the appropriate TEACH Loans.
4. PHEAA will reinstate/rebuild grants for identified and responsive population.

Please see attached work plan for more detail for this CR.

CR 2875
TEACH Grant Conversions in Error Findings

Through FSA CR 2875, PHEAA on-boarded all existing, active TEACH Loans that were not already serviced by them as the TEACH Grant servicer (except those being held by TPD or DMCS).

FSA also provided PHEAA with NSLDS data elements for all TEACH Loans (including those not currently active and those still being held by TPD or DMCS) to evaluate for potential grant-to-loan conversions in error.

Following FSA’s delivery of the appropriate data elements, PHEAA began to review all TEACH Loan data to identify grants suspected as converted in error for one the reasons listed below:

1. Converted within 1 year of Graduation from the school to which the TEACH Grant was received
2. Converted in advance of separation from the school for which the TEACH Grant was received
3. Converted within 120 days of their withdraw from the school for which the TEACH Grant was received
4. Converted after their original withdraw date, but had another TEACH Grant disbursed within 120 days of that withdraw date

After analysis of the data, PHEAA finds that **15,927 TEACH Grants** for **10,776 TEACH Grant recipients** may have been converted in error (based on the above criteria) by the prior TEACH Grant Servicer (as detailed below).

Total Suspected TEACH Grant Conversions in Error

TEACH Grants Converted in Error	15,927
TEACH Grant Recipients with Grants Converted in Error	10,776

Detailed Findings

TEACH Grant Details		
Result	Total	%
Converted in Error – Converted within 120 Days of Withdraw Date	1,032	2.5%
No Identified Errors in Conversion	24,115	57.6%
Converted in Error – Converted after withdraw, but received a subsequent TEACH Grant disbursement before grant-to-loan conversion date	143	0.3%
Converted in Error – Converted while enrolled	5,982	14.3%
Converted in Error – Converted within 1 year of Graduation Date	8,770	21.0%
No Identified Errors, but Unknown Separation or Grant-to-Loan Conversion Date	1,793	4.3%
Total Grants Evaluated (Converted to Loans by Prior TEACH Grant Servicer):	41,835*	
Total TEACH Grants Converted to Loans in Error by Prior TEACH Grant Servicer	15,927	38%

*78,476 records containing student numbers were received for review. PHEAA determined the above population based on TEACH Grants converted to loans in advance of 10/04/13 (when PHEAA began performing grant-to-loan conversions). This population also excludes TEACH Grant-to-Loan conversions performed by the previous TEACH Grant Servicer that PHEAA has already reviewed through the dispute process.

TEACH Grant Recipient Details		
Result	Total	%
Converted in Error – Converted within 120 Days of Withdraw Date	753	2.6%
No Identified Errors in Conversion	16,554	57.5%
Converted in Error – Converted after withdraw, but received a subsequent TEACH Grant disbursement before grant-to-loan conversion date	56	0.2%
Converted in Error – Converted while enrolled	4,424	15.4%
Converted in Error – Converted within 1 year of Graduation Date	5,543	19.2%
No Identified Errors, but Unknown Separation or Grant-to-Loan Conversion Date	1,478	5.1%
Total Grants Evaluated (Converted to Loans by Prior TEACH Grant Servicer):	28,808	
Total TEACH Grants Converted to Loans in Error by Prior TEACH Grant Servicer	10,776	37%

Primary Data Limitations

Conflicting Data

PHEAA was unable to determine Grant-to-Loan Conversions using status (LN) and invalid grace start date as planned. FSA provided guidance to use student number as an indication that a TEACH Grant was converted to a loan, so PHEAA based the evaluated population on the 41,835 TEACH Grants records that 1) contained a student number, 2) were converted to TEACH Loans before 10/04/13, and 3) were not previously reviewed for error through by PHEAA through the dispute (or other) processes.

Missing and Incomplete Data

PHEAA notes several concerns with the received data, including 1,793 TEACH Grant records for which Separation Dates and Grant-to-Loan Conversion dates cannot be determined. Based on review of a small sample of these records, PHEAA does not believe that the records were converted in error, but instead believes that reporting was never completed before the records were subsequently paid in full. While we do not believe the grant-to-loan conversions were performed in error for these recipients, we do note the inability to confirm this definitely.

TEACH Grant Re-enrollment Scenarios

In some records, PHEAA found that the most recent Graduated or Withdraw date was provided for evaluation (rather than earliest). Please note that most recent enrollment type and effective date were requested, but Graduated and Withdraw Dates were not specifically noted as earliest or most recent in discussions related to data.

PHEAA believes that re-enrollment following a withdraw or graduation date alone is not enough to prevent the recipient's service obligation from beginning, so only subsequent disbursements should be considered when evaluating conversions in error (item 4 above), and enrollment following Graduation or Withdraw dates is irrelevant – but it is unclear if the prior TEACH Grant Servicer was operating under this guidance as PHEAA has only recently explored the concept with FSA.

If earliest Graduation or Withdraw date can be used, PHEAA believes that some of the suspected in error population can be reduced, but may need additional data/criteria for consideration (namely earliest Graduation or Effective Date). We are available to discuss or provide an example at your request.
