SECOND DECLARATION OF DANIEL A. ADAMS

1. My name is Daniel A. Adams. In February 2000, I submitted a Freedom of Information Act request for records of the investigation of the Federal Bureau of Investigation (FBI) of the death of Bureau Agent Paul Reynolds in August 1929.

2. I have searched for records indicating whether the wife of Agent Reynolds, Mildred Reynolds, is still alive. My research uncovered records that indicated that Mildred Reynolds died in 1987 and that the son of Paul and Mildred Reynolds, Luke Reynolds, died in 1999.

3. My research uncovered that Agent Paul Reynolds and Mildred Say were issued a marriage license on April 12, 1921, in Mountain Home, Idaho. The marriage license is recorded in the County of Elmore, Idaho, in volume 23, page 86 of the county's marriage license reporter. The license number is 84486.

4. I also discovered that the Social Security Death Index contains an entry for a Mildred Reynolds who was born on December 15, 1899, the same year that Paul Reynolds was born. This Mildred Reynolds died in Emmett, Idaho, not far from where Paul Reynolds and Mildred Say were married. The social security number of this Mildred Reynolds was 519-82-2743 and, according to the Social Security Death Index, she died in April 1987.

5. The records of the FBI's investigation into Agent Reynold's death indicate that Agent Reynolds and Mildred Reynolds had one child, a son named Luke Reynolds. These records also indicate that Luke Reynolds was approximately two or three years old in 1929, indicating he was born in 1926 or 1927. I researched the Social Security Death Index and found a death record that matches this description. The record identifies a Luke Reynolds who was born on October 7, 1926, and died on May 16, 1999. Luke Reynolds' social security number was 259-24-7496. Luke Reynolds is the only child referenced in the FBI records and the only child of the Reynolds of which I am aware.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on March 11, 2003.
